Greenhouse/Indoor Planting Report

OFFICIAL USE ONLY

OFFICIAL STAMP HERE

A registered grower shall submit this planting report not later than 20 days after seeding, direct sowing, or replanting of hemp seed and propagules. This report is due for each and every address in your Grower Registration Agreement and must include each greenhouse/indoor growing area address identified in your Registration Agreement. If you will NOT plant at a Location ID in your Grower Registration, **report of a "No Planting" is required**, by completing the Location ID field(s) in Question 2 and check the "No Planting" box in the far right column. If no planting has occurred before July 31st of a registered year, a registered grower shall withdraw their grower's registration **or** fill out your intended planting dates in Question (4). Use separate forms for different addresses.

Directions: Complete all parts of the following report and submit the report and all required attachments to Alaska Plant Materials Center Hemp Program, 5310 S. Bodenbug Spur, Palmer, AK 99645. The report must be complete, accurate and legible. Follow all instructions in the document. Be sure to keep a copy of the full report for your records.

The completed report may be filed electronically, mailed, or hand-delivered to the division. For electronic mail submission of the report please send completed forms to industrialhemp@alaska.gov. To facsimile a completed report, send to 907-746-1568. To post mail a completed report, send to Alaska Plant Materials Center Hemp Program, 5310 S. Bodenbug Spur, Palmer, AK 99645.
