

Alaska Division of Agriculture Hemp Program

Processor Production Report

Any person registered to process industrial hemp from its raw form to any other form shall submit a completed production report for each registration term on or before March 1 of the following registration year.

Directions: Complete all parts of the following form and submit to the division on or before March 1 of the following registration year. It is the sole responsibility of the registrant to maintain and keep this documentation. The form must be complete, accurate and legible. Follow all instructions in the document. Be sure to keep a copy of the full report for your records.

The completed form may be filed electronically, mailed, or hand-delivered to the division. For electronic mail submission, please send completed forms to industrialhemp@alaska.gov. To facsimile a completed form, send to 907-746-1568. To post mail a completed form, send to Alaska Plant Materials Center Hemp Program, 5310 S. Bodenbug Spur, Palmer, AK 99645.

Registered Processor Name:	
Name of Signing Authority on License (if business):	
Registration Number:	
Email:	Phone:
